Bone Cold

Erica Spindler

Bone Cold Erica Spindler

Twenty-three years ago Anna North survived a living nightmare. A madman kidnapped her, cut off her pinkie, then vanished. Today Anna lives in New Orleans, writing dark thrillers under another name. She finally feels safe.

Suddenly Anna's quiet life takes a frightening turn. Letters start to arrive from a disturbed fan. Anna is followed, her apartment broken into. Then a close friend disappears.

Anna turns to homicide detective Quentin Malone, but Malone's more concerned with the recent murders of two women in the French Quarter. But after a third victim is found—a redhead like Anna, her pinkie severed—Malone is forced to acknowledge that Anna is his link to the killer...and could be the next target.

Now Anna must face the horrifying truth—her past has caught up with her. The nightmare has begun again.

From reader reviews:

Jennifer Walker:

What do you concerning book? It is not important to you? Or just adding material when you want something to explain what your own problem? How about your free time? Or are you busy man? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every person has many questions above. They should answer that question simply because just their can do which. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on pre-school until university need this Bone Cold to read.

Donald Shelby:

This Bone Cold is great e-book for you because the content which can be full of information for you who also always deal with world and also have to make decision every minute. That book reveal it facts accurately using great plan word or we can declare no rambling sentences included. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but tough core information with beautiful delivering sentences. Having Bone Cold in your hand like finding the world in your arm, facts in it is not ridiculous a single. We can say that no publication that offer you world with ten or fifteen minute right but this publication already do that. So , it is good reading book. Hey Mr. and Mrs. hectic do you still doubt that will?

Roderick Olin:

You can spend your free time to see this book this e-book. This Bone Cold is simple to bring you can read it in the playground, in the beach, train in addition to soon. If you did not include much space to bring typically the printed book, you can buy the actual e-book. It is make you much easier to read it. You can save typically the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Patricia Rivera:

Is it a person who having spare time after that spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This Bone Cold can be the reply, oh how comes? A book you know. You are thus out of date, spending your time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?
