## **It's A Thin Line** Kimberla Lawson Roby

When Kimberla Lawson Roby burst onto the literary scene, her fresh, wise, and witty voice grabbed the attention of readers and critics everywhere. Now, with three Blackboard bestsellers to her credit, including the #1 *Casting the First Stone*, she is back with her most absorbing work yet---IT'S A THIN LINE.

Sydney, Gina, and Rick are siblings who have always shared a special bond, and yet their lives are as different as can be. Responsible eldest sister Sydney has everything she's ever wanted-a sexy husband, an adorable daughter, and fulfilling work. But, little by little, the demands of her writing career have mounted, leaving her little time or energy for family life. Meanwhile proud middle sister Gina is struggling to raise her eight-year-old twins-and protect them from the increasing fury of their volatile father. Impulsive brother Rick, the baby of the family, is living the high life-dodging commitment with his longtime girlfriend and wondering if the grass is greener somewhere else.

When their beloved mother Delores suffers a debilitating stroke, all three suddenly find the tenuous threads of their individual lives at a breaking point. A dark childhood secret threatens Sydney's secure world; Gina is swept into a maelstrom of domestic violence; and Rick comes to a dramatic crossroads in his relationship with his girlfriend.

Worst of all, the burden of caring for a parent is tearing the siblings apart, shattering their faith in one another. Now, as Sydney, Gina, and Rick struggle to overcome daunting obstacles and rebuild their lives, they will discover something they've never let themselves believe: that their most stable-and most cherished-relationships have always been with each other.

Once again, Kimberla Lawson Roby has woven a compelling saga that could come only from a genuine storyteller. Alternating between moments of poignancy and humor; filled with complex and recognizable characters, IT'S A THIN LINE is sure to delight her faithful readers, and win countless new fans.
