Neverending Story Leatherbound Book Michael Ende

The ultimate collector's piece, this is a handmade leather bound copy of The Neverending Story, made as part of a limited run of hard cover books. Telling the tale of Bastion Balthazar Bux, a young boy who encounters a magical book that unlocks the world of Fantasia, and the adventures of the warrior Atreyu in his quest to understand and defeat the Nothing, they both meet many characters along the way that aid (or hinder) in their quests. This is the classic story of luck dragons, of Childlike Empresses, of tortoises as old as time, of terrifying enemies and steadfast friends, of rockbiters and realms where wishes come true.

Originally published in German and translated in 1983, this is a hand-made hardback leatherbound copy of The Neverending Story, bound in high quality leather and sealed with an Auryn. The chapters are illustrated and written in a beautiful red and green, and the book measures about 6 x 9" and has 389 pages. A perfect piece for any collection or enthusiast!
