A taboo tale...

Young and untouched Callie is a **curvy girl** heading off to her first year of a college. A place where she hopes her impressive smarts will serve her well.

But after solving one of the more difficult math problems on the board, Callie catches the attention of her **handsome, mature** teacher. However, it's her **full-figured body** that impresses him more than any bookish skill.

And so, when he asks Callie to stay late one afternoon to go over the problem she solved -- the busty girl never expected to encounter the **sexy man and a few of his well-endowed** friends. They've got something to teach the inexperienced woman, and it's going to involve a whole lot of **hard cramming... at the same time and without protection!**

This is one naughty class she's sure to remember...
