I cannot imagine being a teacher and not having a resource like this at my fingertips. So my advice to fellow teachers is to get the book and get busy engaging your students in ways you never thought possible.

- P. David Pearson

This updated edition of Revisit, Reflect, Retell incorporates the newest approaches to enhancing students' higher-level cognitive skills in teacher friendly ways.

- Robert J. Marzano

Coauthor of *Building Academic Vocabulary*

This exciting update of Hoyt's classic Revisit, Reflect, Retell helps us see how comprehension skills are really thinking skills - how our goal in reading comprehension instruction is nothing short of helping students learn to think in increasingly sophisticated ways.... A masterful teacher and coach, Hoyt takes us inside her thinking about how instructional strategies fit together to promote student learning. Even if you have a well-worn copy of the original Revisit, Reflect, Retell, you will, like me, want to scoop up this new edition.

- Nell K. Duke

- A CD of full-color learning tools from the text makes it easy to customize and print handouts that correspond with the strategies.
- Dozens of new photos show you exactly what Linda's strategies look like in action and across the grades.
