When our mouths touched a fire sparked inside me. I thought our first kiss would be awkward and timid. Instead a hunger consumed me like a wildfire.

I never planned to have a **baby** with my **stepbrother**. My **innocent crush** turned into **forbidden lust** when my **handsome, billionaire stepbrother** Alec's band was in town. One of the world's most famous **rockstars**, he'd grown sick of phony groupies and people looking to take advantage of him. Alec was desperate to find a real girl... someone like me.

When he proposed I have his **baby**, I was shocked. I soon found myself eager to explore our **forbidden attraction**, but the world of a rockstar is full of temptations. Now I'm full of uncertainties. Can a baby keep him grounded, or are we headed for a world of trouble?
