Ronnie, now all grown up with a family of her own, gets a memory-jolting invitation to join the Baumgartners at their vacation home in the Florida Keys, and suddenly, everything comes flooding back.

She hasn't thought about the Baumgartners in years, at least that's what she tells her wildly handsome husband, T.J. But it turns out that her curious husband has made a few phone calls and opportunity, or perhaps fate, presents itself, giving them a chance to live out their fantasies.

But once again, Ronnie finds herself torn between what she wants, and what someone else wants for her—or are they one in the same?
