Aldous Huxley and the Search for Meaning: A Study of the Eleven Novels Ronald T. Sion

Aldous Huxley, author of eleven novels, remains one of the towering figures of the twentieth century, his work resistant to passing fads in literature. This critical biography explores Huxley's life-long quest for self-actualization by interfacing the events of his life with details of the creative period that produced each book. The text weaves Huxley's letters, essays and interviews with the thematic content of each novel, providing a unique look into the man's life and work. Of utmost importance is the depiction of an individual striving for the intellectual growth that would yield a sound philosophical and spiritual view of life, one he infused into his work.
