Deer Hunting with Jesus: Dispatches from America's Class War Joe Bageant

A raucous, truth-telling look at the white working poor-and why they hate liberalism.

Deer Hunting with Jesus is web columnist Joe Bageant's report on what he learned when he moved back to his hometown of Winchester, Virginia, which-like countless American small towns-is fast becoming the bedrock of a permanent underclass. By turns brutal, tender, incendiary, and seriously funny, this book is a call to arms for fellow progressives with little real understanding of "the great beery, NASCAR-loving, church-going, gun-owning America that has never set foot in a Starbucks."
