Etiquette

Emily Post

Etiquette Emily Post

Unlike the watered-down, politically-correct, unconvincing, and thoroughly wrong ideas and advice in contemporary etiquette books, this edition of Etiquette actually written and revised by Ms Post herself says it how it is. The advice is classic, intelligent, and timeless. Emily Post's Etiquette originated in the early 1920s, after the Great War, in an age of great change; her thesis was that good manners, good taste, common sense, politeness and respect were timeless and unchanging no matter what the age. Conventions may have changed radically since then, good traditions may have been lost, but an intelligent person will do no wrong by consulting this book: greetings, public presence, driving and walking, acting in the community, parties and dances, courting and marriage, funerals and weddings and christenings, all formalities of correspondence, house rules in both country and city, business, games and sports, table manners, clothing, politics, good behavior, school, neighborhood customs, and so on -- it's all there!

From reader reviews:

Marie Flynt:

Within other case, little folks like to read book Etiquette. You can choose the best book if you want reading a book. Given that we know about how is important a new book Etiquette. You can add expertise and of course you can around the world with a book. Absolutely right, since from book you can realize everything! From your country until finally foreign or abroad you will find yourself known. About simple factor until wonderful thing you are able to know that. In this era, we are able to open a book or maybe searching by internet product. It is called e-book. You can utilize it when you feel fed up to go to the library. Let's go through.

Corey Mullen:

Now a day folks who Living in the era exactly where everything reachable by talk with the internet and the resources in it can be true or not need people to be aware of each info they get. How many people to be smart in receiving any information nowadays? Of course the solution is reading a book. Reading through a book can help men and women out of this uncertainty Information particularly this Etiquette book since this book offers you rich details and knowledge. Of course the info in this book hundred % guarantees there is no doubt in it everybody knows.

Stan Smith:

Playing with family in the park, coming to see the water world or hanging out with good friends is thing that usually you will have done when you have spare time, subsequently why you don't try point that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Etiquette, you are able to enjoy both. It is great combination right, you still desire to miss it? What kind of hang-out type is it? Oh occur its mind hangout fellas. What? Still don't buy it, oh come on its referred to as reading friends.

Abel Cooke:

As we know that book is very important thing to add our know-how for everything. By a e-book we can know everything we would like. A book is a range of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This guide Etiquette was filled about science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has several feel when they reading a book. If you know how big good thing about a book, you can experience enjoy to read a publication. In the modern era like today, many ways to get book which you wanted.
