The Demon Dictionary Volume Two: An Exposé on Cultural Practices, Symbols, Myths, and the Luciferian Doctrine (Volume 2) Kimberly Daniels

Shine the light of God's truth into the darkness

Your ultimate guide to symbols and practices of the occult

The word *occult* means “secret.” God commands us not to be ignorant of the wiles of the enemy and how he works. After twenty years of teaching about spiritual warfare and demonology, Kimberly Daniels brings you the secrets of the enemy's camp in this comprehensive study.

The Demon Dictionary, Volume Two unveils common demonic symbols that are used in the occult, demonstrating how Satan has deceived us with these deviations from biblical truth. With boldness and clarity Daniels defines the origin of various cultural beliefs, shows how these beliefs have filtered into our society, and helps you recognize the impact they are having on the current generation, including:

- European folklore and Wiccan beliefs
- American cults and secret societies
- African, Hispanic, and Native American folklore
- Astrology, the paranormal, and more!

Drawing from hundreds of verses from the Bible, *The Demon Dictionary* will build your spiritual vocabulary, equip you with ammunition and weapons for spiritual warfare, and bring light to areas of your life that the enemy wants to remain dark.
