To boldly go where no paperback edition has gone before . . . This "Diary of a Wimpy Trekkie" takes on bullies as only Lisa Yee can.

Entering 7th grade is no big deal for Marley Sandelski: Same old boring classes, same old boring life. The only thing he has to look forward to is the upcoming Star Trek convention. But when he inadvertently draws the attention of Digger Ronster, the biggest bully in school, his life has officially moved from boring to far too dramatic . . . from invisible to center stage.

From reader reviews:

Corene Albert:

Reading a book tends to be new life style within this era globalization. With examining you can get a lot of information that can give you benefit in your life. Using book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the ebooks. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors in this world always try to improve their talent in writing, they also doing some exploration before they write with their book. One of them is this Warp Speed.

Danny Nehring:

Reading can called mind hangout, why? Because while you are reading a book specifically book entitled Warp Speed the mind will drift away trough every dimension, wandering in most aspect that maybe mysterious for but surely might be your mind friends. Imaging each and every word written in a e-book then become one type conclusion and explanation which maybe you never get just before. The Warp Speed giving you a different experience more than blown away your mind but also giving you useful facts for your better life with this era. So now let us teach you the relaxing pattern this is your body and mind are going to be pleased when you are finished studying it, like winning a game. Do you want to try this extraordinary spending spare time activity?

Jesus Puga:

This Warp Speed is great reserve for you because the content that is certainly full of information for you who else always deal with world and still have to make decision every minute. This specific book reveal it info accurately using great arrange word or we can point out no rambling sentences within it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but challenging core information with wonderful delivering sentences. Having Warp Speed in your hand like getting the world in your arm, details in it is not ridiculous one particular. We can say that no guide that offer you world with ten or fifteen small right but this guide already do that. So , this is good reading book. Hey Mr. and Mrs. stressful do you still doubt in which?

Veda Howard:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.

So , this Warp Speed can make you truly feel more interested to read.
