A Sabbath Journey: and a little child shall lead them Nancy Leport

A year spent helping out with her granddaughter unexpectedly became a Sabbath journey for ordained pastor Nancy Leport. During their time together four-year-old Arianna taught her 'Nana' a new way to experience Sabbath. No amount of seminary training could be any richer on the subject of Sabbath than what she encounters through the eyes of a little girl. These reflections on what she learned from her granddaughter are shared as monthly devotionals. The stories and spiritual reflection questions following each one become a guide for you to explore Sabbath keeping and to deepen your relationship with God. This fresh perspective on the age old teaching to keep the Sabbath holy will help you recapture the joy of the fourth commandment and have you smiling from the inside out. This is an excellent devotional book for church groups, grandparents, parents and anyone who wants to let a little child lead them into Sabbath moments that are life-giving and spirit-filled.
