After fifty years of monastic life, prayer, and spiritual direction, Meg Funk knows what it means to listen with the ear of one's heart to the Holy Spirit. In *Discernment Matters*, she shares what she has learned. This book is a resource for those who want to learn and practice discernment as taught by the early monastic tradition. It includes an accessible summary of teachings about discernment from monastic traditions of late antiquity, consideration of important tools for making decisions today, and practical examples from the lives of St. Benedict and St. Patrick, as well as from the experience of monastics today.

With this fifth volume of the Matters Series, Funk completes one of the most comprehensive presentations of the spiritual life available today, demonstrating why this inner work is both necessary and such a joy.

Mary Margaret Funk is a Benedictine nun of Our Lady of Grace Monastery, Beech Grove, Indiana. From 1994 through 2004, she served as executive director of Monastic Interreligious Dialogue, which fosters dialogue among monastics of the world's religions. In addition to the volumes of the Matters Series, she is the author of Islam Is...: An Experience of Dialogue and Devotion and Into the Depths: A Journey of Loss and Vocation.
