George Gordon Lord Byron

Lord Byron: The Major Works (Oxford World's Classics) George Gordon Lord Byron

This authoritative edition brings together the complete collection of Byron's poetry and prose - all the major poems, complemented by important letters, journals, and conversations - to give the essence of his work and thinking.

Byron is regarded today as the ultimate Romantic, whose name has entered the language to describe a man of brooding passion. Although his private life shocked his contemporaries his poetry was immensely popular and influential, especially in Europe. This comprehensive edition includes the complete texts of his two poetic masterpieces Childe Harold's *Pilgrimage* and *Don Juan*, as well as the dramatic poems *Manfred* and *Cain*. There are many other shorter poems and part of the satire *English Bards and Scotch Reviewers*. In addition there is a selection from Byron's inimitable letters, extracts from his journals and conversations, as well as more formal writings.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
