From the early days in the country, at the foot of the blue mountains, to the suburbs of the nation's capital . . . My experiences were especially profound, as the miracles documented here, became a tribute to my early years. This unique presentation, takes you back and then forward, to a time when miracles were commonplace, as Jesus walked the earth-especially on the Sabbath Day! He did the same thing in the twenty-first century! It allowed the miracles in the Bible to come alive, as they reminded me that Jesus is still waiting, even today, to touch anyone who needs him-especially on the Sabbath Day! I remain humbled at the thought that he allowed me to see his love in one of its highest form, just to be able to share it with you! May you experience the same joy, hope, and faith, and believe that, yes, just as I did! That the Sabbath is alive and well!
