PACS Administrator: PACS Certification and Imaging Informatics Certification: CIIP and CPAS Memory Drills: Introduction to Modalities (PACS Certification Memory Drills Book 1) IT Memory Drills

The purpose of this guide is to drill and test your memory with repetition in order to enhance your ability to pass certification tests related to imaging informatics in conjunction with a position such as a PACS Administrator or an Imaging Informatics Specialist.

The material will be presented in straight and simple question and answer format in order to drill and reinforce your memory. The ebook guide can be used in conjunction with the audiobook format of the book to further reinforce the materials in both visual and audio formats. The guide is intended to be a supplement designed to enhance memorization of the terminology and the materials for instant recall during an exam or on the job. It should not be used on its own, and should be combined with the guides which are designated by the industry in giving you the knowledge in order to take the exam.

Download today to get a jump start on memorizing crucial information to pass your exams!
