The Boer War: Historiography and Annotated Bibliography (Bibliographies of Battles and Leaders)

Fred R. van Hartesveldt

One hundred years after the Boer War, the British continue to debate what went wrong, while the war has significant nationalist overtones in today's South Africa. This book examines changes in interpretations of the war and provides a bibliography of major sources on the Boer War, now sometimes called the South African War. The bibliography focuses on the military history, but also includes some historical accounts of the political debate. The first part of the book provides an extended historiographical essay, while part two provides an annotated bibliography of the titles discussed in part one.

Historiographical questions concerning the Boer War are numerous. Discussions of military operations focus on the early use of modern weaponry and the effect of guerrilla tactics on a traditional force, while other historians debate the question of British military leadership and organization. Questions also revolve around British imperialism and the scramble for Africa. Frequently called the second war for freedom by South African authors, the war was the reason that South Africa, unlike other British colonies, gained independence without majority rule. This makes the war of continuing relevance to the turmoil in South Africa, the collapse of the minority government, and the continuing problems of the current government. This book will provide a useful tool for those wishing to research the war.

And so there are a lot of benefits that you will get when you buy this book.

Wendy Kroll:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore ,

this The Boer War: Historiography and Annotated Bibliography (Bibliographies of Battles and Leaders) can make you feel more interested to read.
