While the Women Are Sleeping

Javier Marías

While the Women Are Sleeping Javier Marías

A dozen unforgettable stories by “one of the most original writers at work today” (Wyatt Mason, *The New York Times Book Review*).

Slippery figures in anomalous situations ? ghosts, spies, bodyguards, criminals ? haunt these stories by Javier Marías: the characters come bearing their strange and special secrets, and never leave our minds. In one story, a man obsessed with his much younger lover endlessly videotapes her every move, and then confides his surprising plans for her; in another a ghost can't stop resigning from his job. Masterfully, Marías manages in a small space to perplex and delight. “The short story fits Marías like a glove,” as *Le Point* noted. His stories have been hailed as “formidably intelligent” (*The London Review of Books*), “a bracing tonic” (*Chicago Tribune*), and “startling” (*The New York Times Book Review*).
