**Android Tablets For Beginners & Seniors Easy Step User Guide: All Android Versions 4.0 Thru 5.0 Lollipop** Chris Gornall  
ANDROID TABLETS FOR BEGINNERS & SENIORS EASY STEP USER GUIDE

ALL ANDROID VERSIONS 4.0 THRU NEW 5.0 LOLLIPOP.

This new guide is packed with all the essentials you will need, and contains almost 250 icons and illustrations to help a beginner use an android tablet. The LOOK INSIDE feature previews extracts from throughout the guide, not only the beginning, to give you a better idea of the contents.

This new guide covers all current android versions starting at version 4.0, released in 2011, right through to the latest version 5.0, codenamed lollipop, which was launched in November 2014 and is being updated to millions of devices.

The guide is aimed at readers who have never operated any Android tablet previously, and is styled on my existing guide- Android User Guide for android versions 4.0 - 4.4 , which sold almost 900 copies through only two outlets in the last year with an almost 100% feedback. Feedback included words such as- a lifesaver, worth every penny, just right for beginners, well written, clear instructions, and brilliant book.

The most critical information, which a beginner needs, is explained in detail, click by click, generally in the order that the reader needs it, in the early parts of the guide, plus many links are provided to other external user guides for selected apps, which the reader can consult later. At the end of the guide is a three page summary of the icons and controls used in navigating the Android system, to serve as a reference chart for future use.

ABOUT THE AUTHOR Having retired 2 years ago, after 30 years in export sales, marketing and IT, I looked around for something to fill in my time. I love technology and having owned countless unbranded Android smart phones, tablets and Android TV units, I felt there was a need for beginners' user guides, so I wrote this. I do hope that you will consider purchasing it. Thanks

## CONTENTS

### INTRODUCTION

### PART A -BASIC CONTROLS & SWITCHING ON-ALL ANDROID VERSIONS

#### THE MAIN ICONS & NAVIGATION CONTROLS

#### GETTING TO KNOW YOUR DEVICE

#### SWITCHING ON FOR THE FIRST TIME
