This book is a critical analysis of 12 notable hands from European Poker Tour Barcelona 2013 Super High Roller Event (50,000Euro No Limit Hold'em Tourney with re-buys). In a nutshell I will be discussing the following important concepts 1. Hand reading exercise for players 2. Why betting with nuts is better than checking 3. Taking advantage of board and position to force out better hands 4. Leveling 5. Negreanu's misclick that costs Silverman his entire stack. And more. These kind of lessons are extremely valuable because, this tournament has some of the best tournament players playing and average players will learn a lot from the mistakes as well as the great plays made by the top tournament poker professionals in the world. Learn from the mistakes of these players so that you do not make the same mistakes in a similar tournament. Even cash game players will benefit greatly from these lessons.
