Bill needs a vacation in the worst way. What he doesn't expect when he boards the cruise line is to meet an *innocent* eighteen year old who makes him *stand at attention*. When Chastity meets Bill for the first time, she's immediately attracted to the handsome **older** man. Things between them heat up when Chastity invites him to apply sunscreen to her *fertile* body by the pool. The action only gets hotter when they sneak off to an unoccupied area of the ship, and she gives Bill something she's **never given another man**. He bends her over the rail and takes her **hard and without protection** and forgets to ask if she's on the pill!
