The Desert Crucible

Zane Grey

The Desert Crucible Zane Grey

Perhaps no novel of the West is more famous or popular than Zane Grey's classic *Riders of the Purple Sage*. From the start, the novel was a sensation and the public immediately began clamoring for a sequel. Though a sequel did indeed follow just a few years later, it has never been available in the complete form that Grey himself intended. Instead, an abbreviated and dramatically censored version was released under the title *The Rainbow Trail*.

Finally, after nearly ninety years, the sequel to *Riders of the Purple Sage* has been restored from Grey's original manuscript, the missing and censored material has been reinserted, and the novel has been published under Grey's original title, *The Desert Crucible*. At last fans can read the story of Lassiter, Jane Withersteen, and young Fay Larkin, exactly as Zane Grey intended.
