Cartas Mexiquenses: ¡Tardamos 70 años pero llegamos! (Spanish Edition) Lic. Luis Guillermo Garcia Ruiz

En Cartas Mexiquenses, recorro al estilo literario epistolar, de los pequeños ensayos breves, de los bocados de la letra humana compuestos por el discurso de la política y el discurso del inconsciente humano, por pasajes de la historia, vidas ejemplares, vicios y virtudes, diagnósticos certeros, información oportuna y mucha literatura. Análisis críticos, que pretenden ser aforismos diferenciados según el lector. Cartas Mexiquenses cuentan con otro antecedente, un probete que hace un par de años titule Cartas Sureñas, en razón de la vecindad que mantengo en el sur del estado de México y del interés en utilizar este artilugio literario para analizar y comparar, para entender las diferencias políticas, sociales, las costumbres, el carácter, el estilo, las culturas, entre la Ciudad de México de donde soy originario, con los municipios de Temascaltepec y Tejupilco donde me he vecindado desde hace veinte años.
