He feels a strong attraction to her. She wonders if he could be "the one." In the glamorous haze of early romantic attraction it's hard to know whether a relationship will lead to true love-or to a negative or even catastrophic relationship. This book helps men and women who want healthy and satisfying marriages identify the early warning signs of an unhealthy relationship. Dr. Warren shows readers how to hold out for God's best for their lives instead of settling for the first one to come along and outlines the factors that increase the chances for marital success. For those who want to become wiser in their relationship choices, this practical guide will help them find the love they want and avoid the pain they don't need.
