It's Never Crowded Along the Extra Mile

Dr. Wayne W. Dyer

It's Never Crowded Along the Extra Mile Dr. Wayne W. Dyer

Recorded live at the Miraval Life in Balance® Resort and Spa in Arizona, this lecture features **Dr. Wayne W. Dyer** as he shares what it's like to go the extra mile and lead a deeper, fuller life. Drawing upon the lessons of great teachers such as St. Francis of Assisi, Viktor Frankl, Jesus Christ, Nelson Mandela, Mother Teresa, and Buddha, Dr. Dyer helps you discover that you *can* achieve true inner peace and success by integrating ten powerful “secrets” into your life that can transform your everyday existence into a path for spiritual enlightenment.

Dr. Dyer goes on to demonstrate the same meditation technique—*Japa*—that he himself has used for years to make conscious contact with a higher power. He provides real-life tools that can help you improve the way you relate to others . . . and yourself.

Using **Dr. Wayne W. Dyer's** ten secrets for success and inner peace, you'll discover that you can bring anything you desire into your life! Some of the important points Dr. Dyer makes on this 8-CD set include the following:

- By clearing out preconceived notions and allowing a higher functioning of the mind, you'll begin to attract what you *really* want and manifest the “symptoms” of inner peace.
- When you're open to everything and attached to nothing, you'll learn that you don't need to evaluate yourself based on money or fame.
- By giving up your personal history, you're freed from the concept of failure and can connect with God in the here-and-now.
- You can't solve a problem with the same mind that created it. Any limitation can be transformed with the intention to manifest.
- Every great artist and thinker has been able to find insight and creativity by reaching a higher energy. Anyone can access this energy—it's only a thought away!
- We're all connected to God. When you “tap in to” this connection, you can access intuition, see the universe as one, and understand that you simply have to align yourself with what you want in order to bring it into your life.
