Jump Time gives in-depth evidence of a unique period for humanity, on a global and personal level—a period of rapid change that will transform human nature for the better. The new millennium is a time in which what we have scarcely dared to dream is beginning to reveal its shape. The spectacular and dangerous changes that come with this millennial beginning require that we use every capacity we have in order to make this transition. What must we do to prepare ourselves for this rich and challenging time? This is an informative and enriching handbook for life in the twenty-first century.
