Rockstar Jace Ryker has never wanted anything or anyone the way he wants Greer. She's everything he used to be before the fame and fate threatened to destroy him. She's talented, bright, happy, and so passionate it stirs something inside him. Something he can't describe. Something he can't ignore.

Dancer Greer Weston is falling in love for the first time in her life. She's trusting someone, leaning on them, and giving everything she's held back for all these years. Everything about Jace Ryker calls to her, promising her love and understanding. Pleasure and excitement.

But can you love someone who belongs to the world? Can they ever give you all of them, or will there always be some piece withheld?

And when trust is broken, can it be rebuilt?
