She's Not There: A Life in Two Genders Jennifer Finney Boylan

The provocative bestseller *She's Not There* is the winning, utterly surprising story of a person changing genders. By turns hilarious and deeply moving, Jennifer Finney Boylan explores the territory that lies between men and women, examines changing friendships, and rejoices in the redeeming power of family. Told in Boylan's fresh voice, *She's Not There* is about a person bearing and finally revealing a complex secret. As James evolves into Jennifer in scenes that are by turns tender, startling, and witty, a marvelously human perspective emerges on issues of love, sex, and the fascinating relationship between our physical and intuitive selves. Now with a new epilogue from the author and an afterword from Deirdre "Grace" Boylan, *She's Not There* shines a light on the often confounding process of accepting ourselves.
