James Henry

The Portrait of a Lady (Penguin Clothbound Classics) James Henry

Henry James's great masterpiece, now in a stunning Penguin clothbound edition designed by the acclaimed Coralie Bickford-Smith. When Isabel Archer, a beautiful, spirited American, is brought to Europe by her wealthy aunt Touchett, it is expected that she will soon marry. But Isabel, resolved to enjoy her freedom, does not hesitate to turn down two eligible suitors. Then she finds herself irresistibly drawn to Gilbert Osmond. Charming and cultivated, Osmond sees Isabel as a rich prize waiting to be taken. In this portrait of a 'young woman affronting her destiny', Henry James created one of his most magnificent heroines, and a story of intense poignancy. This edition is based on the earliest published copy of the novel: this is the version that was read first and loved by most readers in James's lifetime. It also includes an introduction, notes and other editorial materials by leading James scholar Philip Horne. Henry James was born in 1843 in Washington Place, New York, of Scottish and Irish ancestry. In addition to many short stories, plays, books of criticism, autobiography and travel, he wrote some twenty novels, the first published being Roderick Hudson (1875). They include The Europeans, Washington Square, The Portrait of a Lady, The Bostonians, The Princess Casamassima, The Tragic Muse, The Spoils of Poynton, The Awkward Age, The Wings of the Dove, The Ambassadors and The Golden Bowl. Philip Horne is Professor of English at University College London.
