Top 300 Free Apps for the Kindle FIRE

Top 300 Free Apps for the Kindle Fire by best-selling technology book author Ed Jones, is the detailed source for those must-have apps for your Kindle Fire!

So, you've got a Kindle Fire as a gift, or perhaps you bit the purchase bullet on your own because you wanted that awesome tablet. As far as apps go, what do you put on your new Fire? With tens of thousands of apps out there and more appearing on a daily basis, how do you choose what's useful, as opposed to what may be a waste of your download time? Here is the answer, newly updated with over 300 of the best FREE apps for your Fire. **Top 300 Free Apps for the Kindle Fire** is your guide to 300 of the top rated apps that you'll find useful for your Kindle Fire. Jones has taken the time to research and compile this extensive list of apps for your Kindle Fire, and best of all, each of these apps are FREE. You'll find apps for the home office, for entertainment, for news, weather, and sports, for your health, for managing your finances, for playing games, and more. A new local news apps section provides news, weather, and traffic apps for over 50 major US cities, and a new travel section gives you an insight to the best apps that will help you find great deals on flights, hotel rooms, cruises, dining, and even the best gas prices around your hometown or when on the road.

We've also taken the time to create each listing beginning with a clickable link back to the Amazon catalog. So as you read this book on your Fire, if any particular app sounds like what you've been looking for, just tap the image or heading name. You'll be taken directly to the Amazon page for the app, where you can click the button to install that app. (Active wi-fi connection required.)

And this isn't just a list of names with little helpful information, like some guides out there that we'd prefer not to mention. In this book, you'll find detailed write-ups for each app, with specifics as to what the app can (and cannot) do for you. Let **Top 300 Free Apps for the Kindle Fire** be your guide to the best free apps for your new tablet!

Top 300 Free Apps for the Kindle Fire comes from the pen of Edward Jones, the principal technology writer behind the "Get-it-Done" series of computer books. Jones is an experienced computer and technology writer, database applications development analyst, consultant, and trainer who understands the issues faced by people dealing with technology, day in and day out. His career spans years of technology training, database development, and consulting services for major law firms and government agencies in the Washington, DC area, and he currently resides in Charlotte, NC where he is concentrating on providing publications to the rapidly growing digital marketplace. Jones is also a best-selling author whose printed titles have sold over one million copies, and he has served as a technical editor on numerous computer books.
