In a life driven by passion, famed artist Maxfield Caswell lives in a world of brilliant color and drama, pushing his art and affairs to his emotional edge. He's stunning, charismatic and celebrated in the art world, but are the trappings of fame also destroying him?

For years intelligent and bright-eyed Ava Jacobs has worked diligently toward a career in the art world. Ava is swept off her feet when she meets the passionate artist. She soon realizes, however, that he's on a destructive path—one she doesn't intend to join him on.

In the decadent world of patrons, art groupies, and predators, feisty and beautiful Ava knocks Max off his pedestal. A stunned Max sees something special in Ava and offers her an opportunity she can't refuse. As their lives and passions collide, will he realize that she alone has the power to heal him? Can their hearts come together to create their own work of art?
