## **Re-Attraction: How to Get Your Woman Back in 30 Days or Less** John Alexander

Are you going crazy without her? Here's a step-by-step plan that makes her realize what she's lost and that you're the only guy for her -- in 30 days or less, guaranteed!

If you're feeling the pain, frustration and agony of getting dumped... If the woman who was the love of your life told you to leave her alone...

If she won't even speak to you...

Then this could be the most important letter you'll ever read. Here's why.

You can win your woman back. You can do it within just 30 days. And this system works no matter how complicated your situation is... no matter how bad you screwed up... and even if she's now dating another guy!

You Still Love Her...

But All She Says Is "I Need Time"...

Look, it's normal for it to be tough what you're going through. You feel like your woman is slipping away. You're confused. You're depressed. You feel like you're crushed under tons and tons of boulders.

Getting dumped by the woman of your life is literally just as painful as getting punched in the gut. (Scientists found that having a broken heart affects the exact same pain receptors in your brain as when you're undergoing physical trauma.)

And getting her back is more wonderful than you could ever imagine.

The system you're about to discover has been thoroughly field-tested, so I can promise you it will work for you. It's based on innate and uncontrollable instincts in your ex-girlfriend, which is why this plan is the closest thing to foolproof you'll ever find in this world.

Easy To Use,

But Reality Is NOT Like Some Movie

When you regain your woman's love and affection, it's not going to be by continuing to be a beta male who constantly kisses her ass. Nor is it going to be by calling her and texting her 18 times a day. (That may work in films, but in real life it just drives her away.)

This powerful material is only for you if you're fed up with the loneliness and ready to drop your ego and get serious about getting your woman back into your life.

You Will Be Amazed At What Is Possible

Won't it be nice when your girlfriend realizes what she's lost and comes crawling back to you?

How happy will you be when you make your ex-girlfriend fall endlessly in love with you again?

How much of a difference will it make in your life when you sweep your ex off her feet — and not only get everything back to normal, but get your relationship running better than before?

I'd like you to imagine for a second that your ex-girlfriend calls you. She says, "Sorry about what's been happening lately. I think about you night and day and want you back."

Can you imagine how great that will be?

Can you?

So Will You Look Back

A Month From Now and Say

"I Wish I Had" or "I'm Glad I Did"?

You can spend the rest of today moping around the house, being depressed and crying about not being with your girlfriend anymore.

Or you can get the woman you cared for to feel for you, think of you, and want you the way she did when you first met.

You can start right away (I mean as soon as a couple minutes from now) enjoying the pleasure of your ex-girlfriend automatically drawn to you like a moth to a flame.
