## **The Provincials** Eli Evans

In this classic portrait of Jews in the South, Eli N. Evans takes readers inside the nexus of southern and Jewish histories, from the earliest immigrants to the present day. Evoking the rhythms and heartbeat of Jewish life in the Bible belt, Evans weaves together chapters of recollections from his youth and early years in North Carolina with chapters that explore the experiences of Jews in many cities and small towns across the South. He presents the stories of communities, individuals, and events in this quintessential American landscape that reveal the deeply intertwined strands of what he calls a unique Southern Jewish consciousness. First published in 1973 and updated in 1997, *The Provincials* was the first book to take readers on a journey into the soul of the Jewish South, using autobiography, storytelling, and interpretive history to create a complete portrait of Jewish contributions to the history of the region. No other book on this subject combines elements of memoir and history in such a compelling way. This new edition includes a gallery of more than two dozen family and historical photographs as well as a new introduction by the author.

### From reader reviews:

#### **Mitchell Diaz:**

Here thing why this particular The Provincials are different and dependable to be yours. First of all examining a book is good but it really depends in the content from it which is the content is as delightful as food or not. The Provincials giving you information deeper and different ways, you can find any publication out there but there is no guide that similar with The Provincials. It gives you thrill examining journey, its open up your current eyes about the thing that happened in the world which is might be can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your technique home by train. In case you are having difficulties in bringing the paper book maybe the form of The Provincials in e-book can be your choice.

#### **Angeline Stallings:**

Reading a e-book can be one of a lot of pastime that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a guide will give you a lot of new data. When you read a publication you will get new information mainly because book is one of many ways to share the information or even their idea. Second, studying a book will make a person more imaginative. When you reading a book especially hype book the author will bring you to imagine the story how the character types do it anything. Third, you are able to share your knowledge to others. When you read this The Provincials, you could tells your family, friends and also soon about yours book. Your knowledge can inspire the mediocre, make them reading a reserve.

#### **James Anderson:**

In this era globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, newspapers, book, and soon. You can see that now, a lot of publisher that print many kinds of book. The particular book that recommended for your requirements is The Provincials this e-book consist a lot of the information on the condition of this world now. This kind of book was represented how can the world has grown up. The dialect styles that writer use to explain it is easy to understand. The actual writer made some research when he makes this book. That is why this book acceptable all of you.

#### **Robert Berman:**

Many people spending their time frame by playing outside using friends, fun activity with family or just watching TV the entire day. You can have new activity to spend your whole day by reading a book. Ugh, you think reading a book can definitely hard because you have to use the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Cell phone. Like The Provincials which is obtaining the e-book version. So , try out this book? Let's notice.
