Successful businesses are built on trust. Employees and colleagues need to trust one another and they need to deserve and receive trust from customers and suppliers. *Anti-Corruption* provides resources for building trust through the implementation of comprehensive guidelines on how to professionalize ethics and anti-corruption education worldwide in a variety of classroom settings. It is written and tested by highly experienced program directors, deans and professors, in how to adopt, adapt and develop best teaching practice. It highlights successful patterns, details illustrative case studies and offers clear, hands-on recommendations.

*Anti-Corruption* enables business schools, management-related academic institutions, and Executive Training Programs to embed curriculum change quickly to achieve positive outcomes. It enables degree programs and executive education programs to achieve global standards that will be widely followed.
