Idaho's boundless recreational opportunities and beautifully varied scenery comes into precise focus on every page of the revised and improved Idaho Road & Recreation Atlas. Over 50,000 copies have been sold since its introduction in 2005...a level of acceptance that has made this atlas one of the most successful Idaho map products ever. The new second edition's improvements insure its continued success. Benchmark's field-checked Landscape Maps™ now show ground-cover detail at a very high-resolution. It's easy to see, at-a-glance, whether an area is forested, cultivated, lava flow, desert, or scrubland. This feature is ideal for the person who wants to know the most about an area being visited beforehand. Benchmark has extensively revised the Boise area metro map and the Recreation Guide has been thoroughly updated. Of course, the atlas still have all the Benchmark features people love; page-to-page overlap, a usable GPS grid and legendary field-checked accuracy.
