Race Matters Cornel West

With a new introduction, the groundbreaking classic **Race Matters** affirms its position as the bestselling, most influential, and most original articulation of the urgent issues in America's ongoing racial debate.

Cornel West is at the forefront of thinking about race. In **Race Matters** he addresses a range of issues, from the crisis in black leadership and the myths surrounding black sexuality to affirmative action, the new black conservatism, and the strained relations between Jews and African Americans. He never hesitates to confront the prejudices of all his readers—or wavers in his insistence that they share a common destiny. Bold in its thought and written with a redemptive passion grounded in the tradition of the African-American church, **Race Matters** is a book that is at once challenging and deeply healing.
