Jerry Heller

Ruthless: A Memoir Jerry Heller

Ruthless tells the explosive story of Jerry Heller's alliance with Eric Wright, aka Eazy-E, one of the legends of rap music and a founding member of N.W.A., "the world's most dangerous band." As a longtime music industry superagent, Heller had the skill and insight necessary to guide N.W.A.'s cometlike rise to the top of the charts. Along the way there were raucous nationwide tours, out-of-control MTV pool parties, and X-rated business meetings. Heller held on through the brutal shocks and reversals of the Ruthless Records era, which saw the label being targeted by the FBI, and its principal artists locked in bitter conflict, until a final turnaround placed *Ruthless* at the top of the heap once more.

Heller turns the music industry inside out, exposing its strange logic and larger-than-life personalities. *Ruthless* provides keen insight into the popular music scene, with an unforgettable portrait of its rollicking excesses, life-churning drama, and multimillion-dollar highs.
