## **Wry Stories on the Road Hole** Sidney L. Matthew

There is no more special and sacred golfing ground in the world than the Old Course at St. Andrews. Never before or since has such a perfect balance of sporting antiquity and eternity been joined together in 18 holes, and the jewel in this crown must surely be the 17th, dubbed The Road Hole. This book traces the evolution of The Road Hole. It chronicles the earliest days when The Road Hole was the first hole on the original left-hand course, the history of The Road, The Golfer's Bridge, The Road Bunker and The Stationmaster's House and Garden now occupied by The Old Course Hotel. The rich history is supplemented by a score of Wry Stories on The Road Hole. Revisit the jubilation and the tears of shots gone wrong on this famous hole.
