1590s Plays: Romeo And Juliet Magdalene Potter

What's so special about Romeo And Juliet? In this new, compelling book from author Magdalene Potter, find out more about Romeo And Juliet ... Romeo and Juliet is a tragedy written early in the career of playwright William Shakespeare about two young star-crossed lovers whose deaths ultimately unite their feuding families. It is among Shakespeare's most popular archetypal stories of young, teenage lovers. Romeo and Juliet belongs to a tradition of tragic romances stretching back to antiquity. Its plot is based on an Italian tale, translated into verse as *The Tragical History of Romeus and Juliet* by Arthur Brooke in 1562 and retold in prose in *Palace of Pleasure* by William Painter in 1582. Shakespeare borrowed heavily from both but, to expand the plot, developed supporting characters, particularly Mercutio and Paris. Believed written between 1591 and 1595, the play was first published in a quarto version in 1597. This text was of poor quality, and later editions corrected it, bringing it more in line with Shakespeare's original. Shakespeare's use of dramatic structure, especially effects such as switching between comedy and tragedy to heighten tension, his expansion of minor characters, and his use of sub-plots to embellish the story, has been praised as an early sign of his dramatic skill. The play ascribes different poetic forms to different characters, sometimes changing the form as the character develops. Romeo, for example, grows more adept at the sonnet over the course of the play. Romeo and Juliet has been adapted numerous times for stage, film, musical and opera. During the Restoration, it was revived and heavily revised by William Davenant. David Garrick's 18th-century version also modified several scenes, removing material then considered indecent, and Georg Benda's operatic adaptation omitted much of the action and added a happy ending. Performances in the 19th century, including Charlotte Cushman's, restored the original text, and focused on greater realism. John Gielgud's 1935 version kept very close to Shakespeare's text, and used Elizabethan costumes and staging to enhance the drama. In the 20th century the play has been adapted in versions as diverse as MGM's comparatively faithful 1936 film, the 1950s stage musical *West Side Story*, and 1996's MTV-inspired *Romeo + Juliet*. So, what separates this book from the rest? A comprehensive narrative of Romeo And Juliet, this book gives a full understanding of the subject. A brief guide of subject areas covered in "1590s Plays - Romeo And Juliet" include - - Romeo and Juliet - Characters in Romeo and Juliet - Romeo and Juliet on screen Find out more of this subject, it's intricacies and it's nuances.
