# Handbook of Musculoskeletal Pain and Disability Disorders in the Workplace (Handbooks in Health, Work, and Disability)

## Handbook of Musculoskeletal Pain and Disability Disorders in the Workplace (Handbooks in Health, Work, and Disability)

This book addresses the complexity of preventing, diagnosing, and treating musculoskeletal pain and disability disorders in the workplace. Divided evenly between common occupational pain disorders, conceptual and methodological issues, and evidence-based intervention methods, this comprehensive reference presents current findings on prevalence, causation, and physical and psychological aspects common to these disorders. Attention is given to working-world concerns, including insurance and compensation issues and AMA guidelines for disability evaluations. Also, specialized chapters offer lenses for understanding and administering the best approaches for treating specific pain disorders, and explore what workplaces can do to accommodate affected employees and prevent injuries from occurring in the first place.
