Never Subdued II: Radical Islam Franklin Hook

From the award winning author of *Never Subdued*, *Never Subdued II* is an eye-opening look at the rise of Islam from unique religious and historical perspectives. It is an action packed true story with heroes and villains, keeping the reader in suspense. *Never Subdued II* tells how our founding fathers dealt with extortion on the high seas with virtually no assets at their disposal. Yet the founding fathers were dealing with fanatic fundamentalists with the same beliefs and attitudes as those causing acts of terror around the world today. Hook doesn't spare fundamentalists of other religions either, with mentioned reviews of historical acts of terror from fanatics of three of the major religions. Included are Franklin Hook's 10 Commandments of Muslim Diplomacy, which present the reader with suggestions of how to handle the most urgent problems of the world and gives us hope for the future.
