New Centers of Global Evangelicalism in Latin America and Africa

Stephen Offutt

New Centers of Global Evangelicalism in Latin America and Africa Stephen Offutt

This book shows that new centers of Christianity have taken root in the global south. Although these communities were previously poor and marginalized, Stephen Offutt illustrates that they are now socioeconomically diverse, internationally well connected, and socially engaged. Offutt argues that local and global religious social forces, as opposed to other social, economic, or political forces, are primarily responsible for these changes.
