Return of the Prophecies of Mothman Andrew Colvin

Spurred by the realization that the 9/11 attacks were accurately predicted – in 1967 – by a childhood friend who was seeing Mothman, Seattle artist Andy Colvin began filming a reality series, “The Mothman’s Photographer,” documenting his experiences growing up in Mound, West Virginia.

"Return of the Prophecies of Mothman," a revised and expanded compilation of letters found in Colvin's subsequent "Mothman Speaks," "Shrieks," and "Squeaks" books, chronicles the thoughts and feelings of several Mothman experiencers and researchers, beginning almost a decade after the attacks (2010-2013). These revealing letters, penned during a wave of odd synchronicities, sightings, and encounters, indicate that Mothman may be a guardian angel of mind-bending proportions.

Interwoven with these personal diaries are replies and other posts from Colvin, which reach back into the mysterious history of the Ohio Valley, providing not only a fuller context for the phenomenon, but also illustrations of how the paranormal and the media work together to help form public opinion and belief.

In their thought-provoking attempts to figure out just what Mothman might be up to, Colvin and company look at every possible myth, legend, and conspiracy theory they can find, leading the reader on a wild, entertaining, and often poignant ride into high-strangeness.

"Anyone who likes John Keel is sure to love this..." –The Brisbane Sentinel

"The penultimate source of new information, theories, and data on Mothman..." –William J. Grabowski, Forbes Magazine

"Pulls back the veil on our Mystery School of the Americas..." -Walter Bosley, author of Empire of the Wheel

"Eye opening... Not unlike my 'VALIS' experiences with Phil..." – Tessa B. Dick, author of Remembering Firebright: My Life With Philip K. Dick
