## **Timeless Teachings of John Wesley for the Modern-Day Christian**

*John Wesley's Teachings* is the first systematic exposition of John Wesley's theology that encompasses all of his writings. Wesley was a prolific writer and commentator on Scripture?his collected works fill twenty-four volumes?and yet it is commonly held that he was not systematic or consistent in his theology and teachings.

On the contrary, Thomas C. Oden demonstrates that Wesley displayed a remarkable degree of internal consistency over sixty years of preaching and ministry. This series of four volumes is a text-by-text guide to John Wesley's teaching. It introduces Wesley's thought on the basic tenets of Christian teaching: God and providence (volume 1), Christ and salvation (volume 2), the practice of pastoral care (volume 3), and issues of ethics and society (volume 4).

In everyday modern English, Oden clarifies Wesley's explicit intent and communicates his meaning clearly to a contemporary audience. Both lay and professional readers will find this series useful for devotional reading, moral reflection, sermon preparation, and for referencing Wesley's opinions on ecological recovery, moral relativism, enthusiasm, catholicity, experience, paradise, final justification, providence, and countless others.
