The Aristocrat: (Intermix) Catherine Coulter

#1 New York Times bestselling author Catherine Coulter shows what destiny has in store for an unlikely pair in this delightful novel.

Pro quarterback Brant Asher has achieved the American dream: fame, good looks, money, and beautiful women at his beck and call. But news from across the pond is about to change everything...

A distant English relative has left Brant an inheritance, which includes a title, an estate, and...a wife.

Daphne Asherwood has always been the wallflower of the family, but she still can't believe that her uncle had to bribe someone into marrying her—an American football star, no less. She and Brant barely speak the same language, yet when she lets down her guard—and Brant takes a chance on fate—a modern marriage of convenience may turn into happily ever after.
