**The Principles and Practice of Auditing** George Puttick, Sandra van Esch

This new edition of a standard accounting reference for students and practitioners includes commentary on the most recent South African auditing standards (SAAS). South African auditing practice statements (SAAPS), and audit and accounting guides. New information is also provided on the audit implications of relevant South African statements of generally accepted accounting practice. This edition also integrates the implications of computerized environments for audit and assurance services. Students, practitioners, and financial personnel in all businesses concerned with corporate governance and with responsibility for risk management and internal controls will find a wealth of information in this book.
