Women Icons of the West: Five Women Who Forged the American Frontier (Notable Western Women) Julie Danneberg

Step back in time and experience the spirit of the West through the eyes of five courageous women: Clara Brown, Sara Winnemucca, Nellie Cashman, Isabella Bird, and Margaret Brown. From a newly freed slave to a refined Englishwoman, from a Native American to a miner's wife, these women, vastly different at first glance, have much to teach us about perseverance, surviving hardship, and living courageously.

Women Icons of the West features a unique fictional first- and third-person narrative that allows readers to get to know these women through their actions and thoughts, as well as the observations and opinions of those who knew them. Sidebars link the fictional narrative to documented historical events, and a bibliography offers resources for further research on each woman.

Julie Danneberg, a third-generation Colorado native and former elementary school teacher, is the author of the Notable Western Women series, which includes *Women Artists of the West*, winner of Mountains and Plains Booksellers Association Regional Book Award and recognized on Voice of Youth Advocates' Nonfiction Honor List.
