*When she ventures out one night, despite the warnings of her best friend, Alicia (who happens to be a ghost), and stumbles upon a group of vampires, a battle rages between immortals over Jerusa. She is transformed into a vampire, and is surprised to find that she enjoys it. For the first time in her life she doesn't feel sick. But every light casts a shadow, and from the ashes of the battle arises a creature of incredible destructive potential—a savage flesh-eater whose very existence violates the most ancient of vampire laws.*

*Now Jerusa must join with the other vampires and use her ghostly power to hunt down the savage beast*

*before he can wreak havoc on the town and make others like himself.*

*Jerusa has never been so powerful, but will she be able to find the savage before he attracts the attention of the rulers of the vampire race and bring their wrath down upon them all?*
