The Autobiography of Vivian Sherrie Krantz

Meet Vivian . . .

A small-town girl who conquers the Big City on her own terms . . . a sucker for happy endings with an attraction to all things fattening—and a personality that oddly gets her in (and out of) trouble at lightning speed. This is her story . . . and perhaps a little of yours, too.

True, Vivian Livingston has the gig of a lifetime, starring 24/7 as the heroine of www.Vivianlives.com, a kind of “girls rule” Web site. But it wasn’t always that way. So rewind, back to the traditionally traumatic last semester of college, when Vivian, feeling the need for drastic change, randomly enters a songwriting contest and, to everyone’s surprise, actually wins. The prize—an incredible weekend getaway to the capital of the universe: New York City.

One amazing weekend getaway later, without a real “life” plan and weeks away from graduation, she and her best friend Sophie make the obvious decision . . . *NYC here we come!* But the moment Vivian and Sophie set foot in their new apartment—a raw, hand-me-down, fourth-floor walk-up studio—they know that life in the Big Apple is going to be anything but easy. Lacking both dough and direction, Vivian has a rough time with the transition. Even worse, Sophie seems to have found a soul mate—and has left Vivian behind. But Vivian is determined to make her world work, despite a few challenging bumps in the road. Rather than ship out, things begin to shape up, as Vivian not only gets the (virtual) keys to the city, but most important, discovers the keys to her own heart.

From reader reviews:

Irene Gwyn:

What do you ponder on book? It is just for students since they're still students or the idea for all people in the world, what best subject for that? Simply you can be answered for that query above. Every person has several personality and hobby for each and every other. Don't to be pushed someone or something that they don't need do that. You must know how great as well as important the book The Autobiography of Vivian. All type of book can you see on many resources. You can look for the internet methods or other social media.

William Stewart:

Do you certainly one of people who can't read satisfying if the sentence chained inside straightway, hold on guys this specific aren't like that. This The Autobiography of Vivian book is readable through you who hate the perfect word style. You will find the data here are arrange for enjoyable studying experience without leaving actually decrease the knowledge that want to deliver to you. The writer of The Autobiography of Vivian content conveys prospect easily to understand by most people. The printed and e-book are not different in the articles but it just different by means of it. So , do you even now thinking The Autobiography of Vivian is not loveable to be your top record reading book?

Jason Norfleet:

Do you really one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Make an effort to pick one book that you never know the inside because don't evaluate book by its cover may doesn't work this is difficult job because you are frightened that the inside maybe not as fantastic as in the outside appearance likes. Maybe you answer is usually The Autobiography of Vivian why because the fantastic cover that make you consider in regards to the content will not disappoint an individual. The inside or content is usually fantastic as the outside or perhaps cover. Your reading sixth sense will directly direct you to pick up this book.

Donna Eldridge:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Autobiography of Vivian can make you sense more interested to read.
